Dear Dr. Albites;

Recently you asked us to give you information referring to the book, Code of the Quipu: databook, Ascher.

We are happy to inform you that we did get a response from the University Microfilms International. They told us that you can receive a software book produced by University Microfilms International.

Please call us and let us know if you would still like to purchase this item, and if you have any additional questions and concerns feel free to contact us. As always, it has been a pleasure to serve you. Thank you.

Sincerely yours,
